

The Ship *Duxbury* and other vessels

Paperback
by Joe Duxbury (Author)

The 1849 Gold Rush ship *Duxbury* gave her name to a notorious reef off the entrance to San Francisco Bay. This is her story, and also that of five other vessels of the same name.

Stories from both the Atlantic and the Pacific shores of the United States stretching over 100 years.

Voyages to the Caribbean, the Far East, the Baltic, and the Arctic Ocean.
